Description

On a seaworthy and very stable hull, the deck plan of the Oceanis 45 frees up space and simplifies manoeuvring. It allows comfortable navigation thanks to its ability to combine speed of movement and pleasure of living on board, cruising gains in safety.

Whichever perspective you adopt, the Oceanis 45 is a balanced sailing yacht, a very well proportioned cruiser, with remarkable performance underway.

The water lines were designed by the naval architect Finot

The interiors straight out of the pencil of Nauta Design.

The Oceanis 45 proposed in the sheet includes:

4 cabins, 2 bathrooms, folding dinette, extra large cockpit, bimini and sprayhood, internal and external cushions, large sundeck, cartographic GPS, autopilot, bluetooth stereo, inverter, second additional fridge, comfortable and large electric fold-down swimming platform.
