Description

Sarnico Shipyards Maxim 55 Special, powered by twin Man 1050 hp inboard engines. The engines currently have about 1000 hours of running time and have undergone rigorous maintenance at the end of each summer season. The boat is used by the owner exclusively during the summer season and stored indoors at the shipyard during the winter. Important refitting works were carried out:

Total polishing, remaking of the cushions, a new cockpit fridge and freezer were installed, new teak floors, new fresh water tanks, new generator MASE replacement and more... The boat is in excellent condition, meticulously maintained. The internal and external spaces of the Sarnico 55 Maxim are very large: dinette with kitchen, 2 bedrooms and two bathrooms in the area dedicated to the owner and his guests. Separate cabin for two sailors with bathroom. All areas below deck are equipped with air conditioning.

Electronic navigation instruments:

Rudder angle indicator, Compass, Odometer, Depth sounder, GPS, Autopilot, Plotter, Radar, VHF Radio
