Description

The motor yacht *Mangusta 80 Open* was produced by the brand *Overmarine Mangusta*. The *Mangusta Mangusta 80* is a 25.07 meter motor superyacht with a draft of 1.30 meters which can reach speeds of up to 45 knots. Despite her impressive size, the *Mangusta 80* is one of the smallest yachts in the *Overmarine* range.

At maximum, the *Mangusta 80* has a range of only about 250 miles, but that's enough for breakfast in Cannes, lunch in Corsica and an **evening** cocktail in Genoa or Saint-Tropez.

But back to home amenities. The main deck of the *Mangusta 80* features a cosy, respectable saloon and cockpit, as well as a sun deck for the bow. The living deck is available in two versions: with a small crew cabin in the bow, or with a real «crew-message» dedicated to a separate compartment with galley and other amenities.

Some refit done in 2022/23
